## NEWSLETTER March 2024

The social night on Friday 16<sup>th</sup> February was a success, with around 37 Club members and their families present.

Our President, Ken Billing, would like to thank Tina and the staff members of Club Noble for organising the tables and for the great service they provided that night.

We also celebrated a couple of birthdays - Eddy Tusia and Lee Billing.

An Angler's member won two out of three of the door prizes. It's an opportunity to come and try out your luck next time.

Thank you to everyone who attended. Keep an eye for the next social night!

- Fish of the Month for January: Don Elso for a Flathead 2.8 kgs caught at Port Albert.
- Fish of the Month for February: John Bertuna for a King George Whiting 44 cm caught at Corinella.

Well done Don and John!

Come to the Club early, use your Club Noble card, have a meal and a drink and gain some points and \$ value on your card.  
A reminder to visit our Web site and Facebook to keep up with the club.

The minimum size of any fish weighed in on Club fishing competitions will be 25cm, except when the size is set larger by Fisheries Regulations.

Roger Clark presented a sink drainage system for unblocking sinks. He has some samples to give away. Let a member of the committee know if you are interested to have one.

## CLUB FISHING REPORTS

Jeremy Zarifopoulos, a club member, fished at Loch Sport on the last week of February and caught these fantastic fish at night from the surf. Well done Jeremy!

Ken Billing has done it again. Ben is killing all the fish in Western Port.

Don't forget our current Species competition:  
Our current Species will be the longest Whiting commencing from 1<sup>st</sup> January  
finishing on 31<sup>st</sup> March. Brag mat images acceptable.

The current longest King George Whiting recorded up to date is 44 cms.
